# THE AntiaChurChronicle From Pastor Duncan

It seems that Christmas is coming earlier every year! Even in October the stores are stocked and poised for black Friday, in hope of a white Christmas.

Christmas can be a wonderful time of the year or a nightmare of stress and tension.

Let's not forget . . . It's the wonderful celebration of our Savior coming to the earth.

Be intentional about your personal worship and remembrance of the true meaning of Christmas. Enjoy the season but look for the opportunities to influence others to remember why we celebrate.

# TAC FAMILY CHRISTMAS DINNER

DECEMBER 22, 2013

1:30 P.M.

@ THE PLACE

Christmas occurred when God invaded Earth in a strange and marvelous way. A special child was born to improbable parents in an unlikely place at an inconvenient time and in an unwelcoming world. Yet heaven's light pierced the darkness and shone through the life of that unique baby. That light was and is an eternal light. God's light in Christ is a saving light that can keep the world from total destruction, from the ultimate darkness. The message is always true: "The light shines in the darkness, and the darkness did not overcome it" (*John 1:5, NRSV*). And it never will.  
—Charles Ferrell

*We live in a world that is desperately in need of a love bath. It has had its share of blood baths, starvation, epidemics of fatal diseases and every imaginable plague across the centuries. Many years ago the world was invaded by love. That is what Christmas is all about.*  
—Bill Ellis

## **BEST CHRISTMAS PRESENT EVER!**

*~ A True Gift From God ~*

***"My most memorable Christmas was in December 1967. It was special to my husband and me because our 3 month old son had been born two months prematurely and thus faced many challenges in his growth and development. However, by the end of the first year of his life, he had reached the full potential of maturity for that age. That first Christmas is unforgettable because we were blessed with a healthy baby (our only child), who brought much joy to our entire family including grandparents, aunts' uncles, cousins and close friends. To this day we consider him our "miracle child" and truly a gift from God. He is the best Christmas gift I ever received."***
