### Thoughts on Black History

*From the Pen of Pastor Roy Duncan*

It is nothing short of a miracle that Blacks have not only survived but thrived in America. Celebrating black history is in fact celebrating American history. As we reflect on the challenges and the victories during Black History month we should also elevate our praise and gratitude to our God who has proven Himself to be faithful. May we be inspired by our past to reach for the greater future. He is able to do exceedingly, abundantly above all that we ask or imagine. May our goal always be to Him be the glory.

# SNL Guys Treat the SNL Girls to a Night to Remember

And a night to remember it was with everyone in black and white and decorations to compliment - after the guys escorted each girl to their seat, an appetizer of stuffed shitake mushrooms, shrimp kabobs, sausage, chicken, cheese squares, sweet pickles, celery on a beautiful platter of Romaine lettuce (all prepared by the guys) awaited them. After a hilarious mini movie (staring the guys) the guys served an entrée choice of Chicken Alfredo or Rib-eye steak with mixed vegetables, mashed potatoes, rolls or garlic bread. They were able to wash it down with their choice of sweet tea, lemonade or water. To address their sweet tooth the girls were served their choice of German Chocolate Cake and Red Velvet Cake. But that wasn't all. The guys presented each girl with a long stem red rose and a certificate listing their attributes as the guys presented these same attributes on video. It was quite a pleasant surprise for the girls. It was a great evening and Pastor Duncan closed it out with a message of exhortation to both the guys and girls. What a blessed event - an evening of fun, laughter, encouragement, elegance, beauty, great food and service - God inspired. (the guys were amazing! Thanks guys)
