## 10 Things I Believe About the Church

#1 – I believe the potential for the local church to do good and create positive change in the world is greater than it has ever been.

#2 – I believe that the ROOT of the desire to do good and create positive change in the world HAS to be the GOSPEL...and if it isn't, what will develop is cool ministry fads and ideas...but nothing revolutionary that will impact the world.

#3 – I believe that some of the greatest Christian leaders that the world will ever know are currently in elementary school, middle school, and high school...thus making youth and children's ministry one of the greatest mission opportunities that the local church can invest in.

#4 – I believe that more and more church leaders are going to begin to take radical steps of faith rather than trying to repair broken systems.

#5 – I believe that more and more church leaders are going to continually put personal preferences of ministry aside and work together with other people to accomplish more ministry than they could have ever done alone.

#6 – I believe that we're going to see some of the greatest moves of God this world has ever seen in the next 20 years...MOST of them happening because the local church finally decided to step up and be the church.

#7 – I believe God wants to use your church to do unbelievable things in the community in which HE has planted you.

#8 – I believe the key to a healthy church is healthy church leadership...leaders cannot fly at the speed of sound and expect to hear God's still small voice. The healthier we get, the healthier our churches can be.

#9 – I believe that if ALL leaders took the advice God gave us in Galatians 6:9 that we would see breakthroughs like we've NEVER seen before. *"And let us not grow weary while doing good, for in due season we shall reap if we do not lose heart."*

#10 – I believe God has called the church to CHANGE the world...not complain about it!!! We are an empowered body of believers whom He has called to attempt the "impossible" so that people can see HIM!!! (So...what is that thing that you know you should do next?)

## DON'T WAIT UNTIL THE HEARSE TAKE YOU TO CHURCH

### If you do:

- ✝ You will go regardless of the weather.
- ✝ You will go regardless of how your family feels.
- ✝ You will go regardless of the condition of your body.
- ✝ You will have beautiful flowers, but you will not enjoy them.
- ✝ Regardless of how good the singing is, you will not enjoy it.
- ✝ Regardless of what the Minister may say it will do you no good.
- ✝ You will go to the altar but you will not pray.
- ✝ You may have a great need but no one will be able to help you.
- ✝ You will never be able to attend church again.
- ✝ There will be relatives and friends there but you will not worship with them.
- ✝ You will go regardless of how many hypocrites are there.
- ✝ You will go regardless of how much you are needed at home or on the job.

The Minister would rather help you now than to try to console your loved ones if you die without God. So make it your choice to go to church while you have a choice.

# BLACK HISTORY MONTH

Visit the fellowship hall for an extensive Black History Exhibit

Thank you Mrs. June McCoy & helpers

Historian Dr. Carter G. Woodson "The Father of Black History" (1875-1950) founded what is now called the Association for the Study of African American Life and History (ASALH) in 1915.

It is dedicated to gathering and dispersing information about black life, history and culture, and every year the organization chooses the theme for Black History Month.

The year 2013 marks two important anniversaries in the history of African Americans and the United States;

1. The Sesquicentennial of the Emancipation Proclamation and
2. The 50th Anniversary of the march on Washington, where Martin Luther King, Jr. made his famous "I Have a Dream" speech.

The former recognized the coming end of slavery and the latter, for jobs and freedom announced that the days of legal segregation in the United States were numbered.

### The 2013 Theme

"At the Crossroads of Freedom and Equality:  
The Emancipation Proclamation  
and the March on Washington"

Everyone is asked to wear African attire on the 4th Sunday
