

TAC CHRONICLE

The Antioch Church 907 E. Murchison St.—Palestine, Texas 75801—907.723.7261

September 2013

According to Genesis 1:1 *“In the beginning God created . . .”*

The 1st thing that God revealed of himself is, He is a creator.

An awesome power to do awesome things and according to Genesis 2:27 we are created in His image and in His likeness, with God given ability to be a part of the amazing works of God.

As I am challenged, I challenge each of us to freshly embrace the reality—that we can do all that he has assigned— through Christ Jesus our Lord.

Psalm 8:7—You have made man to have dominion over the works of your hands; you have put all things under his feet..
